

Little Whitefish Lake Association

Letter from the President

Residents of Little Whitefish Lake,

This letter is to inform you of an upcoming meeting specifically for Little Whitefish Lake residents regarding the future of the sewer system shared with Big Whitefish Lake. This meeting will be held at the Pierson Township office Saturday, August 15th at 10:00 a.m.

At this meeting, Pierson Township will be presenting an upcoming increase to your sewer bill. This is a necessary increase to build funds for the inevitable repairs and maintenance of the system which has already exceeded its designed life expectancy.

This will be a substantial increase to your current sewer bill and therefore we highly encourage your attendance to have the opportunity to hear directly from the township why this is necessary and what the plan is for the upcoming repairs and maintenance of the system.

Thank you,

Ron Brandow

President, Little Whitefish Lake Association
