The application for a Zoning Permit shall designate the existing or intended use of the structure or premises, or part thereof which is proposed to be altered, erected, or extended, and the number of dwelling units, if any, to occupy it. The application shall be accompanied by two accurate copies of drawings, drawn to scale, showing the actual lines, angles and dimensions of the lot to be built upon or used, and the exact size and location on the lot of all existing and proposed structures and uses, and other information necessary to demonstrate compliance with the ordinance.
