October 15, 2022

Pierson Township's Personal Property Canvas Policy is as follows:

1. Print and compare last year's personal property accounts list.
2. Verify the businesses are still in business.
3. Watch for new businesses in the Township when out on field reviews and building permits and drive past commercial areas to verify as appropriate.
4. Ask the office employees (Supervisor, Clerk, Treasurer) for any known new businesses.
5. Add new businesses to the roll.
