Public comment

Mark C. from road commission is going to make 10 welcome signs for the major roads entering into the township, going to get with sara on locations and will use recycled materials to make them

Old business

None

New business

Budget- Will receive 67-72k from the host fees also from the remainder of the budget at end of fiscal year.

Discuss amyschool road between northland drive and trufant road, input from Mark C., question to close that section of road due to maintenance cost in the spring and it always flooding, Mark suggested that we leave it open so that they have a space to stage equipment and materials for the future northland drive project and will at material to that section to raise the road and help keep the water off the road and will be to no cost to the twp.

Discussion of culverts on wood lake road,- Mark C. commented that it would be fiscally beneficial to wait longer and get a better inspection of them later in the spring

Discuss possible areas to be ditched in the township, Wall comment that he would like to have pine street in sand lake finished being ditched to finish that project from last year and remainder of ditching hours to be allocated to areas determined by the county truck drivers with approval from mark m. Motion made by wall 2nd mumah all in favor

Montcalm county 2021 meeting structure, Mark C. still waiting for more information on any future changes
